“Funding Year 2018 Form 471 Outside of Window – Petition for Waiver”

**This is a request for a waiver/appeal of the filing window for
St. Anthony Tri-Parish School**

Waiver/Appeal Request:

Funding Year 2018 Form 471 Certified Outside of Window

Form 471 Information: 181041813

Funding Application Number: 181041813

Funding Request Number: 1899081832

Rationale for Request:

During the E-Rate form 471 filing window I (Nick Dresang) was working with vendors and had narrowed my selection down to Charter. I needed to, however, work with the vendor for additional information. During which my father passed. I have been out of the office for about three weeks dealing with his hospital stay, and eventual death. I am the only person in our IT department, and I am solely charged with getting our E-Rate proposals, and filling completed. I have completed the 471 form today, and certified it.

Circumstances to Consider:

Past FCC Ruling FCC DA 12-1469 September 14, 2012

The Order and Order on Reconsideration reviewed 39 requests from petitioners seeking review of decisions made by USAC under the eRate program. These petitioners were seeking waivers on the Form 471 filing window deadline. The requests were granted for those schools within 14 days after the filing window deadline. Justification was cited on past FCC Rules specifically File Nos. SLD-487009, et al., CC Docket No. 02-6, Order, 25 FCC Rcd 9256 (2010) (Academy of Math and Science Order) (finding special circumstances exist to justify granting waiver requests where, for example, petitioners filed their FCC Forms 471 within 14 days after the FCC Form 471 filing window deadline or filed their Form 471 on time, but failed to timely file their certifications); Also, the following order or docket #: CC Docket NO. 02-6, Order, 26 FCC red 354.
